OLD KILPATRICK READY FOR SUMMER

Members of Action Old Kilpatrick's Horticulture Group have been busy in the Dalnottar Cemetery greenhouse, growing flowers, herbs and plants for the village. The Environment Group have been picking litter in the Lusset Glen - and collected their 200th bag of litter! And the History Group are looking at collecting stories about houses and places in the village.

We applied for a grant from the Lottery's Awards for All and we're happy to announce we were successful! We have plans for a number of improvements around the village and we'll also be working with the school and publish our newsletter regularly so you know what's happening.

Support us by becoming a member - complete the form below and give it to a committee member along with £1 or bring to the next meeting (first Wednesday of every month, 7:30pm at the Twisted Thistle. For more information, email info@actionoldkilpatrick.org.uk)
